## > FIND A CASE MANAGER

### REGIONS OF CARE | NORTH CAROLINA | SOUTH CAROLINA | VIRGINIA

(see side two for full listing)

**Southern Rehab** provides highly skilled case managers to assist with all aspects of an injured worker's case, including: assessment, coordination of medical care, monitoring the injured worker's progress, facilitation of return to work and vocational exploration.

The case manager serves as the central hub that promotes open communication amongst the injured worker, the employer, the insurance representative, the medical care provider, and any involved attorney. This collaboration is designed to proactively work toward optimum medical recovery and a smooth transition back to work.

With staff located throughout North and South Carolina, as well as in Southern Virginia, we access the best local professionals to coordinate the medical and vocational care of the people we serve. Use this staff listing to help locate our case managers by region.
