(see side two for full listing)

**Southern Rehab** provides highly skilled medical and vocational case managers to assist injured workers through assessment, coordination of medical care, monitoring treatment progress, facilitation of return to work, and vocational exploration.

Our case managers serve as facilitators for open communication among the injured worker, the employer, the insurance representative, the medical care provider, and attorneys. This collaboration is designed to expedite optimum medical recovery and a smooth transition back to work.

Southern Rehab case managers are located throughout North Carolina, South Carolina, Georgia and Virginia. We access the best local healthcare providers and professionals to coordinate the medical and vocational care of the people we serve. Use this staff listing to help locate your next case manager by region.
